On Thursday, October 18, 2018, the Sisterhood of St. Anne hosted a dinner appreciation for all of the sisterhood members as well as kitchen workers to thank them for their hard work in the past year and years and

years before.

Thanks to their dedication and sacrifice of their time and labor the sisterhood has been able to help the parish tremendously over the years.

The sisterhood is in need of volunteers to continue their work. Especially around Holiday season, when the work load is heavier. Please consider helping them out, even if it is only for an hour or two, your help will be greatly appreciated.

From the Hierarchs

President of Ukraine has met for the second time with the Exarchs of the Ecumenical Patriarchate in Ukraine

In a meeting with the Exarchs of the Ecumenical Patriarchate in Ukraine - Archbishop Daniel of Pamphylon and the Western Eparchy of the UOC of the United States of America and Bishop Ilarion of Ed-

monton and the Western Eparchy of the UOC in Canada, President Petro Poroshenko once again thanked for the decision of the Holy Synod to provide autocephaly to the Ukrainian Orthodox Church.

The exarchs of the Ecumenical Patriarch in Ukraine noted the leading role of President Petro Poroshenko in the process of uniting Orthodox Christians and the creation of the Autocephalous Orthodox Church.

Archbishop Daniel thanked the President for his leadership and willingness to see the unity in the people of Ukraine. *"I hope that we will serve together and celebrate this great union of our Ukrainian people soon,"* the Archbishop stressed.

Archbishop Daniel of the UOC of the USA also informed that he and Bishop Ilarion returned to Ukraine "to continue work on the last stage, which will bring us to the unifying Council and then to the presentation of the final document to the new primate - the Tomos of independence, autocephaly of the Ukrainian Orthodox Church".

"As before, we will communicate, ready to communicate, we hope to cooperate with all the leaders of the Ukrainian Orthodox Church of Kyiv Patriarchate, the UAOC, the hierarchs, clergy and believers of the Ukrainian Orthodox Church in the fold of the Russian Orthodox Church," Archbishop Daniel especially emphasized.

Archbishop Daniel noted that the exarchs came back from Constantinople *“with good news, with a historic event in the life of the Ukrainian nation”*. *“I would like to immediately convey the words of congratulations of His All-Holiness Ecumenical Patriarch Bartholomew. We had a conversation with him immediately after the end of the Holy Synod. And he asked to convey personal congratulations to you, as well as gratitude for all the efforts that you have made as President of Ukraine, taking care of the whole process of uniting Ukrainian Orthodox Christians in the territory of Ukraine,”* the Archbishop said.

“I think I'm not mistaken if I say that it was a historic decision of the Constantinople Mother Church concerning Ukraine, because the intention to provide autocephaly to the Ukrainian Orthodox Church was once again confirmed,” he said.

Archbishop Daniel reminded that the Synod also considered appeals of the leaders of the Ukrainian Orthodox Church of Kyiv Patriarchate and the Ukrainian Autocephalous Orthodox Church and abolished "various church sanctions" against these spiritual leaders. They were returned to their spiritual rank. As well as the clergy that cares for the people of Ukraine in these churches.

“Therefore, if there are any talks about the inappropriateness or non-canonicity of the sacraments performed by these clerics, the Holy Mother Church gave the answer - these sacraments, the actions of the clergy are canonical. We are grateful to God and the Church of Constantinople, which cares for our Ukrainian people,” he said.

In turn, Bishop Ilarion of Edmonton and the Western Eparchy of the UOC in Canada emphasized: *“October 11, 2018 - this historic day became the day of proclamation, declaration of spiritual sovereignty of the Ukrainian people. Just like July 16, 1990 - Declaration on the State Sovereignty of Ukraine”*.

“Your name is inscribed in the history of Ukraine with gold letters along with the names of the rulers of Kyivan Rus’, Kyivan state, your predecessors - Holy Equal of the Apostles Great Prince Volodymyr, Yaroslav the Wise, who did a lot for the spiritual prosperity of their people,” Bishop Ilarion said.

To be continued in the next bulletin.
